# Hind Punarutthan Sangh (HPS) Trust

HPS Trust is registered under the Public Charitable Trust with its office in Delhi. It is a right-wing intellectual organization dedicated to the mission of:

**Organized Hind. Empowered Hind. Secured Hind**  
**संगठित हिंद . सशक्त हिंद . सुरक्षित हिंद**

Since its inception in April 2022, HPS has been working tirelessly with the blessings of Swami Govind Giri Maharaj and the kind wishes of Air Marshal Bhushan Gokhale (Retd.).

HPS functions through specialized sub-committees, including:

- Political Affairs
- Judicial Reforms
- Publishing considered opinions on national issues

## **Why HPS?**

Across Bharat, numerous Sanatan organizations are steadfastly engaged in protecting and promoting **Sanatan Dharm** and **Sanatan Sanskriti**. Their contributions to national development and cultural preservation are deeply commendable. Alongside them, many dedicated individuals have worked tirelessly to uphold and strengthen the spirit of **Sanatan**.

However, true Sanatan unity remains a work in progress. Recent developments highlight that the safety, solidarity, and collective strength of Sanatan society continue to face significant challenges.

For decades, divisive forces and ideologies have sought to fragment Sanatan society by questioning and undermining deeply cherished beliefs – our deities, festivals, traditions, and sacred heritage.

In this context, the **Hind Punarutthan Sangh** stands committed to the crucial mission of uniting, awakening, and empowering Sanatan society – revitalizing Sanatan values and contributing to the nation's renewed resurgence.

**Join HPS. Rise Together.**
